

PUBLIC EMPLOYEES' RETIREMENT BOARD

October 9, 2014

Topic: Fort Ellis Rural Fire District

Acceptance of past Certificates that increase members' years of service

Staff recommendation:

Staff recommends the 21 members for FY2012 the Fort Ellis Rural Fire District be granted the year of credited service. The members were listed on the late filed FY2011-2012 Annual Certificate and verified to receive credit for that fiscal year within 19-17-112(5), MCA.

INFORMAL CONSIDERATION

October 9, 2014

Petitioner: Fort Ellis Rural Fire District
Fire Chief: Michael Cech
Contact: Michael Cech

Retirement System: VFCA

Request for Board Consideration:

The Fort Ellis Rural Fire District is requesting that the Board accept the late filed Annual Certificate filed originally on October 15, 2012 and refiled on June 7, 2013 for the fiscal year 2012. The Annual Certificate was signed by the Fire Chief and notarized. Included was the training documentation by fiscal year as is required. See details below.

How many fiscal years is the department requesting to file?

One; 2012

How many specific years of service are being requested?

1 year; 21 members

Has the actuary evaluated the impact of these years of service on the VFCA plan?

NO

Has the volunteer fire department filed the necessary qualifications as required by State law?

Yes

Was the appropriate training documentation submitted?

Yes

How many times has the department filed late in the last 10 years?

One year – FY2012

Give details of any problems:

No problems were encountered

Correspondence:

September 28, 2012 – Phone call received by Diann Levandowski from Fred Cady, fire department member, inquiring if the Annual Certificate for FY2012 had been received.

October 3, 2012 – Letter sent to Fire Chief Michael Cech requesting notarized Annual Certificate, certified training documentation, and a letter of explanation from the fire chief for the late filing of FY2012.

October 15, 2012 – Letter received from Michael Cech including notarized annual certificate, certified training documentation, annual roster, and letter of explanation from the fire chief.

May 20, 2013 – Letter sent to Fire Chief Michael Cech requesting additional training information and clarification of a member's qualification status. The letter included a new Annual Certificate and a training summary spreadsheet.

June 7, 2013 – Letter received from Fire Chief Michael Cech including detailed descriptions of training courses and a notarized Annual Certificate for FY2012. The Annual Certificate did not have the information filled out for Justin Schnelbach, the member in question, but the letter addressed that the member had been added.

September 29, 2014 – Spoke with Fire Chief Michael Cech and verified missing information from the Annual Certificate, for Justin Schnelbach.

Fort Ellis Rural Fire District

Acceptance of past Certificates that increase members' years of service

Summary:

Pursuant to § 19-17-112 (5), MCA a late filed certificate must be filed within 3 years of the due date. FY2011–2012 Annual Certificate was due on September 1, 2012 and must be filed no later than September 1, 2015.

The original, notarized filed Annual Certificate was received on October 15, 2012; a revised copy of the certificate was received on June 7, 2013 with description of trainings that were questioned.

This fire department filed their documentation within the 3 year filing date and should be considered for credit for FY2012.

RELEVANT LAW AND RULES:

Montana Code Annotated (Effective before July 1, 2011)

19-17-108. Credit for service as volunteer firefighter – records. (1) The annual period of service that may be credited under this chapter is the fiscal year. A fractional part of a year may not count toward the service required for participation in this system. To be eligible to receive credit for any particular year, a volunteer firefighter shall serve with a fire company throughout the entire fiscal year.

(2) The years of service are cumulative and need not be continuous. Separate periods of service properly credited with different fire companies must be credited toward a member's eligibility for full or partial benefits.

(3) A volunteer firefighter must receive credit for service during any fiscal year if:

(a) during the fiscal year, the volunteer firefighter completes a minimum of 30 hours of training in matters pertaining to firefighting under a formal program that has been formulated, supervised, and certified to the board by the chief or designated official of the fire company;

(b) the volunteer firefighter's participation in the training program is documented in the fire company's records filed and maintained by the chief or designated official; and

(c) the fire company maintained firefighting equipment that is in serviceable condition and owns, rents, or uses one or more buildings used for the storage of that equipment that all together are valued at \$12,000 or more.

(4) The chief or designated official of each fire company shall keep and maintain training records for each current and former volunteer firefighter who is or was a member of the fire company.

Montana Code Annotated (Effective July 1, 2011)

19-17-108. Credit for service as a volunteer firefighter – records. (1) The annual period of service that may be credited under this chapter is the fiscal year. A fractional part of a year may not count toward the service required for participation in this system. To be eligible to receive credit for any particular year, a volunteer firefighter shall serve throughout the entire fiscal year with a single fire company that is organized under Title 7, chapter 33, and continues to meet the requirements of 19-17-109.

(2) The years of service are cumulative and need not be continuous. Separate periods of service properly credited with different fire companies must be credited toward a member's eligibility for benefits.

(3) A volunteer firefighter may not receive credit for service during any fiscal year unless:

(a) during the fiscal year, the volunteer firefighter completes a minimum of 30 hours of training in firefighting duties as outlined in 19-17-105 under a formal program that has been formulated, supervised, and certified to the board by the chief or designated official of the fire company; and

(b) the volunteer firefighter's participation in the training program is documented in the fire company's records maintained pursuant to 19-17-111 by the chief or designated official.

Montana Code Annotated (Effective July 1, 2011)

19-17-112. Filing required reports – limitations. (1) The chief or designated official of each fire company that claims eligibility under this chapter shall, on or before September 1 of each year, file with the board an annual certificate, the current year's roster, and a membership card for each new member.

(2) (a) The annual certificate is a form reporting a fire company's membership eligibility for the previous fiscal year.

(b) The annual certificate must be completed on a form prescribed by the board and contain the date of organization of the fire company and the full name, social security number, and date of birth of each member of the fire company who was a member for the entire fiscal year and who successfully completed 30 hours of training during the preceding fiscal year, as required by 19-17-108.

(c) The chief or designated official shall subscribe and verify under oath, before a notary, that the fire company and members qualified under 19-17-108 and 19-17-109.

(d) The board shall maintain the certificate for the purpose of establishing service for members and eligibility for benefits.

(3) The roster must be signed by the fire chief or designated official, filed with the board, and contain information in writing that provides the names of the fire company, its date of organization, officers, and roll of active and inactive members for the current fiscal year. A roster may be updated to report new members but may not be retroactive.

(4) A membership card must be completed and filed with the board for each member who was a member on or before July 1, 2011, and for each new member who joins after July 1, 2011.

(5) The current fire chief shall file any late or amended annual certificates and the associated certified training records within 3 years of the original annual certificate due date. An annual certificate may be amended only once. The board shall consider and may approve late filings. Information provided to the board by the fire chief must be in accordance with the board's rules.

(6) The current fire chief may request to appear before the board for consideration of the request to file a late or amended annual certificate.

Montana Code Annotated (Effective before July 1, 2011. Repealed in 2011 Legislature and added to 19-17-112, MCA)

19-17-402. Certificate of eligibility. The chief or designated official of each fire company that claims eligibility under this chapter shall, on or before September 1 of each year, file a certificate on a form to be provided by the board, subscribed and verified under oath before a notary, stating whether the company qualified under [19-17-108](#)(3) during the preceding fiscal year. The certificate must contain the date of organization. The certificate must list the full name, social security number, and date of birth of each member of the fire company who was a member for the entire fiscal year and satisfactorily completed 30 hours of training during the preceding fiscal year, as required by [19-17-108](#)(3). The certificate must be maintained by the board for the purpose of establishing service for members and eligibility for benefits.

MPERA ARM

2.43.5001 BASIC UNIT OF SERVICE (1) As of July 1, 1965, the basic unit of service for volunteer firefighters is one fiscal year. Volunteer firefighters not continuously on the active membership list of a single qualifying volunteer fire company for the entire fiscal year shall not be listed on the annual certificate and shall not receive credit for service under the Volunteer Firefighters' Compensation Act (VFCA) for that fiscal year. A volunteer fire company qualifies to participate in the VFCA if the requirements of 19-17-402, MCA, are met.

(2) A volunteer firefighter shall receive one year of credit for service under the VFCA for each two full fiscal years of service performed prior to July 1, 1965. (History: 19-17-203, MCA; IMP, 19-17-201, 19-17-401, 19-17-402, MCA; NEW, 1986 MAR p. 1454, Eff. 8/29/86; AMD, 2003 MAR p. 1188, Eff. 6/13/03; AMD & TRANS, from ARM 2.43.801, 2008 MAR p. 2467, Eff. 12/01/08.)

2.43.5002 FAILURE TO FILE REQUIRED REPORTS (1) In order to receive credit for service under the VFCA, volunteer fire companies must file an "annual certificate" with MPERA. The certification is a report by the fire chief that the members listed on the certificate were active for the full fiscal year and also had the required 30 hours of training. This report is on a fiscal year basis (July through June) and is due by September 1 of each year. The annual certificate is signed by the fire chief and notarized. Annual certificate forms are provided by MPERA.

(2) Annual certificates filed after the September 1 due date must be appealed to and considered by the board for approval. Information provided to the board by the fire chief or designated official must include:

- (a) the original, notarized annual certificate;
- (b) certified training documents showing the required 30 hours of training per listed member;
- (c) a letter from the fire chief explaining why the annual certificate was not filed timely; and
- (d) if requested by the fire chief, oral argument before board. (History: 19-17-203, MCA; IMP, 19-17-201, 19-17-402, MCA; NEW, 1986 MAR p. 1454, Eff. 8/29/86; AMD, 2003 MAR p. 1188, Eff. 6/13/03; AMD & TRANS, from ARM 2.43.802, 2008 MAR p. 2467, Eff. 12/01/08.)

October 3, 2012

Michael Cech, Fire Chief
Fort Ellis Rural VFC
3725 Bozeman Trail Rd
Bozeman, MT 59715

Dear Fire Chief Cech,

On September 28, 2012, I received a call from Fred Cady asking if the FY2011-2012 VFCA Annual Certificate had been received, along with the FY2012-2013 Roster and membership cards for any new members who have joined your department in the past fiscal year. As of today, Montana Public Employee Retirement Administration (MPERA) has not received the above mentioned filings.

The Public Employees' Retirement Board (PERB) has decided that late or amended certificates, when filed properly, accompanied by a letter of explanation from the fire chief, and certified training documentation for the 30 or more hours of training, will be considered for acceptance. Beginning July 1, 2011, only late Annual Certificates that are filed within 3 years of the original Annual Certificate due date will be considered. The due dates of annual certificates are September 1 of each year for the previous fiscal year (ie FY2007-2008 was due September 1, 2008). An annual certificate may be amended only once.

The **certified** training information must be based on fiscal years (July 1st thru June 30th) and in an easily readable format. Training documentation must include the following:

- ❖ The date the training was offered;
- ❖ Title of the training;
- ❖ Description of the training;
- ❖ Hours of training;
- ❖ Each member's hours of training for each class.

Training does **not** include business meetings, emergency calls or vehicle or hall maintenance.

Enclosed you will find the FY2011-2012 VFCA Annual Certificate. Since this is the second printing of this certificate the database does not fill in the names of the members who received credit the prior fiscal year 2010-2011. On the enclosed annual certificate, please include names of all members that qualified for credit that fiscal year. Don't forget

to fill in all information (SSN, Birthdate, VFCA Entry Date, and a Y or N in the Credit Column) for each member listed or they will not receive credit. Remember that an annual certificate may be amended only once.

You will also need to send in a separate roster of all your members for the current fiscal year 2012-2013, whether they received credit or not they need to be listed. This no longer needs to be certified with the County Clerk.

The membership cards form for any new members may be found out on MPERA's website at <http://mpera.mt.gov/forms/BeneficiaryVFCA.pdf>.

If you have questions, please call me at 406-444-3193 or toll free 1-877-275-7372 ext 3193.

Sincerely,

Diann Levandowski

RE: VFCA Annual Certificate – FY 2011 – 2012

Dear Diann, per your request regarding Fort Ellis' late filing of the VFCA Annual Certificate please find attached to this letter the signed and notarized Annual Certificate; copy of our current firefighter roster; our new firefighters which were added; membership cards for 2 new firefighters; and certified training documentation for July 1, 2011 through June 30, 2012.

We apologize for being late in filing this document as the paperwork was lost among our part time administrative assistant's desk. We were able to find the original copy which is included. We appreciate that you will allow us to file late and will do our very best to ensure that it won't happen in the future.

Please let me know if I have excluded anything that you have requested or if you have any questions on what was provided. The best way to contact me is on my cell phone at (406) 581-2816.

Sincerely,

Michael J. Cech

Michael Cech, Fire Chief
Fort Ellis Rural Fire District
3725 Bozeman Trail Road
Bozeman, MT 59715

Dear Fire Chief Cech,

Montana Public Employees Retirement Administration (MPERA) received the late filed Annual Certificate for FY2011-2012, a letter of explanation from the fire chief, and certified training documentation on October 12, 2012. However, MPERA needs more information on the training documentation that was provided.

The certified training information must be based on fiscal years (July 1st thru June 30th) and in an easily readable format. Training documentation must include the following:

- ❖ The date the training was offered;
- ❖ Title of the training;
- ❖ Description of the training;
- ❖ Hours of training;
- ❖ Each member's hours of training for each class.

Per the Volunteer Firefighter Compensation Member Handbook "training must include matters pertaining to firefighting and be available for all members. The course or plan of instruction for this training program must include at least 30 hours of instruction per year per member. NOTE: Recognized training does not include fire hall maintenance, Emergency Medical Technician training, emergency calls or business meetings to conduct the business of the fire company."

The training documentation that was received did not include a description of the training and acronyms should not be used. Please provide descriptions of the training that have been questioned on the enclosed training summary and provide the words of the acronyms that were used.

According to the training documentation that was sent to MPERA, Justin Schnellbach has received over 30 hours of training and did not appear on the annual certificate. If Justin was with the department for the entire fiscal year and was not compensated as a firefighter during the

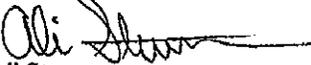

fiscal year, he is eligible to be listed on the Annual Certificate. Please fill in his name on the enclosed copy of the original, notarized Annual Certificate.

Emergency Medical Technician training does not count towards the training hours. These hours have been highlighted and taken off the total hours for your firefighters. Only basic medical such as CPR and Basic First Aid training can be used for training hours for VFCA credit of service.

The enclosed Annual Certificate, descriptions of the training, and answers to the questions must be received within 30 days of the letter date in order for your request to be considered.

If you have questions, please call me at 406-444-9173 or toll free 1-877-275-7372 ext 9173.

Sincerely,

A handwritten signature in black ink, appearing to read "Ali Sturm", with a long horizontal flourish extending to the right.

Ali Sturm
Accountant

ANNUAL CERTIFICATE

Volunteer Firefighters' Compensation Act [19-17-112, MCA]

To be filed on or before September 1st, in the office of the Public Employees' Retirement Division, PO Box 200131, Helena, MT 596200131.

Department Name FORT ELLIS RURAL FIRE DISTRICT

Mailing Address 3725 Bozeman Trail Rd Bozeman 59715
 PO Box or Street City Zip

I, _____, as Chief of the above Volunteer Fire Department, a rural fire company organized in an unincorporated area, town or village in the State of Montana on July 29, 1969 (date organized), hereby certify as follows:

- (A) That the above Fire Company qualified under the provisions of Section 19-17-109, MCA, throughout the fiscal year ending June 30, 2012.
- (B) That the following members of the above Fire Company satisfactorily completed 30 hours of instructional training during the fiscal year, under the provisions of Section 19-17-108, MCA and served with the Fire Company throughout the entire fiscal year (sections 19-17-108 and 19-17-112, MCA).

RETIREMENT BOARD

Attn: Ali Sturm

In response to your letter of May 20, 2013, the table below provides a description of training that was lacking in our training documentation report for FY2011-2012. I hope it is sufficient to allow credit for our volunteers training hours. We will do better on our next year's report.

Your letter notes that Justin Schnelbach received over 30 hours of training but was missed on the annual certificate. I have added Justin to the enclosed certificate.

Sincerely,

Michael Cech
Chief, Fort Ellis Fire Department

Fort Ellis Rural VFC Explanation of Training Records for FY2011-2012

Date	Class	Description of Training
7/5/2011	Command staff training	These trainings are structure fire simulations during which command staff and others plan and simulate response to different fire situations.
7/7/2011	T1-5 Pump	T1-5 is our tender and this training was individual instruction for a new driver/operator. It included both driving and pump operations.
7/12/2011	Vehicle operations and PPE	PPE=personal protective equipment. This training session was split between approximately 1.5 hours inspecting and practicing donning of PPE including turnouts (bunker gear) and breathing apparatus (SCBA). The rest of the time was used for driver training for all personnel (reviewing driving practices and actual driving.)

7/13/2011	Pump operations and DO training	DO training = Driver/Operator training. Drivers are responsible for both driving the apparatus and operating it (pumping, mainly). This session was to train a new driver for one of our trucks.
7/20/2011	Pump ops	Pumping operations. This training was for less experienced firefighters to learn the operation of the pumps on wildland apparatus.
8/16/2011	MPI Drill	MPI = Multiple patient incident (also called multiple casualty incident, MCI): This training was a multi-fire department drill involving a simulated earthquake with multiple patients. Although MPIs are part of an EMT curricula, this was an all-hands drill to learn command and control and operational procedures for an MPI.
8/24/2011	Pump and roll	This was not maintenance. Pump and roll is a wildland firefighting tactic where a brush truck attacks a wildland fire while driving along the fire's edge.
9/6/2011	Electrical Safety/maint	On maintenance nights we often split our time between a training topic and maintenance. This was incorrectly coded and should have allocated 1.5 hours of training for electrical safety and 1.5 hours for maintenance. A new training records system instituted last year will eliminate this coding problem in the future.
9/20/2011	Second story	This is structure firefighting tactics for second story operations – laddering, rescue, etc.
9/27/2011	Second story	“
10/5/2011	VFIS Driving	VFIS = Volunteer Firefighter Insurance Services: VFIS establishes recognized training program for various firefighting skills. Their driving program trains apparatus drivers to maneuver vehicles safely.
10/10/2011	Hydrant operations and maint	See 9/6/2011. Hydrant operations involved training for firefighters to operate the city's high pressure hydrants. Training should be credited with 1.5 hours.
10/18/2011	Hydrant tools/live burn	This is live burn training conducted at a burn facility. It was not a callout.
10/22/2011	Command presence	This 16 hour class was for chief officers to help them learn more about conducting operations when in command at an incident.
10/23/2011	Hydrant tools/live burn	See 10/10/2011
1/3/2012	Structure fire sims	See 7/5/2011.
1/7/2012	Helicopter EMS Operations	We have a new medical evacuation helicopter service in our county. This training session was for our personnel to learn how to conduct themselves safely around a helicopter. It was not EMT training.
1/24/2012	RIT	RIT = Rapid intervention team: Mandated basic safety procedures for operating at a structure fire require a rapid intervention team standing by to be able to immediately undertake firefighter rescue operations. This training teaches rescue techniques to be used.
