## Topic: Employee Investment Advisory Council (EIAC) Appointment

Mr. Hagen replaces Steve Johnson who resigned from EIAC in September 2013. Mr. Hagen was recommended by Mr. Ron Alles, Helena City Manager and former EIAC member. As a member of EIAC, Mr. Hagen would represent local government employees.

Below you will find Mr. Hagen's biography, received from him on February 4, 2014:

I am seeking appointment to the Montana Public Employees Retirement Board Employee Investment Advisory Council as a Local Government Employee. I am an active and contributing member of the State Deferred Compensation Plan. I have read and understand the bi-laws for the council.

I was born and raised in Milwaukee, Wisconsin. I joined the United States Air Force in January 1987 and served at Malmstrom Air Force Base as a Law Enforcement Specialist until September 1991. In October of 1991 I was hired as a Helena Police Officer.

I graduated from 79th session of the Montana Law Enforcement Academy in 1992. I worked through the ranks of the department, becoming the Assistant Chief of Police in March of 2013. Since becoming a member of the department, I served as a Patrolman, Corporal, Patrol Sergeant, Patrol Commander, and Captain of Operations. My assignments have included Selective Traffic Enforcement Program, Field Training Program, SWAT, and Special Projects.

I graduated from the Montana/Idaho Chapter of the FBI Command College and the 1<sup>st</sup> Montana Executive Leadership Course. In 2011, I graduated from the 245th session of the FBI National Academy in Quantico, Virginia.

I currently serve on the Friendship Center Board of Directors.

I am married and enjoy spending time in Montana's great outdoors, hiking, hunting, and fishing.

I recommend the board approve Mr. Hagen's EIAC appointment through the remainder of Mr. Johnson's three year term which expires July 31, 2014.

I further recommend that the board approve Mr. Hagen's appointment renewal for a full three year term beginning August 1, 2014 through July 31, 2017.
