Rate Types

MPERA staff use the Rate Type to further define at what the Rate the employee was paid.

Transaction Type	Code Value	Rate Type
Payroll	ANNL	Salary
Payroll	EVNT	Event
Payroll	FLAT	Flat Rate
Payroll	HRLY	Hourly Rate

Pay Types

MPERA staff use the Pay Type to assist with determining member's service credit and membership service; limitations for working retirees and optional members; determining highest average compensation; the calculation of IRC limitations; and contribution requirements. A benefit to employers is that we will not need to request additional information from the employer at the time members retire. This is a required field.

Transaction Type	Code Value	Pay Type	Payroll	0014	Retro Pay
Payroll	0001	Regular Pay	Payroll	0015	Adjustment
Payroll	0002	457	Payroll	0016	Settlement (only if MPERA is include in the settlement)

Payroll	0013	Kelly Hours	Payroll	0027	Total Compensation

* When reporting earnings for an MPORS or FURS member who works on a holiday the regular hours should be reported as Pay Type = Regular Pay (contributions apply) and any additional earnings associated with that work should be reported as Pay Type = Holiday Worked (contributions do not apply).

Employment Status

The Employment Status code is required if employee has not terminated employment, but no contributions are being reported. Reporting the employment status will reduce phone calls to verify termination and assist with eligibility to purchase certain types of service such as worker's comp. It will also allow for proper membership service for employees on leave.

Service Purchase Type

Under certain conditions members may purchase service credit towards their retirement. The Service Purchase Type describes the category of service credit being purchased. For example, a Service Purchase type of "MILT" indicates the member is purchasing service credit earned while serving in the military. The interface file definition it reads:

Indicates the type of service purchase.

- The PERIS application must use the Code Value stored in PERIS for Service Purchase Types available.
- Append Service Purchase ID associated with the service purchase type.

Example:

MILT-11001 for Military Service

The Service Purchase ID and other information about the service purchase is sent to the employer when an employee signs up for a service purchase payroll deduction.
